Building the Future

Special Olympics
Ontario

SOO 20/20

Look how far we have come....

Special Olympics
Ontario

From the 2017 Sport Conference

Looking Forward – Key Initiatives

- New Website – <http://www1.specialolympicsontario.com>
- Information Portal – <http://info.specialolympicsontario.com>
- SO Learn – <http://info.specialolympicsontario.com>
- GMS / SO Connect / Centralized Results
- Online Tournament Registration / Virtual Tournaments
- Membership Management
 - Improved search and access for athletes, parents, public
 - Ease of use for volunteers / coaches and access to their own information
 - Reduce workload / Streamlined Registration / Onboarding
 - Form / Data Collection – Building Workflow
 - Improved access for those that need the information
- System Integration

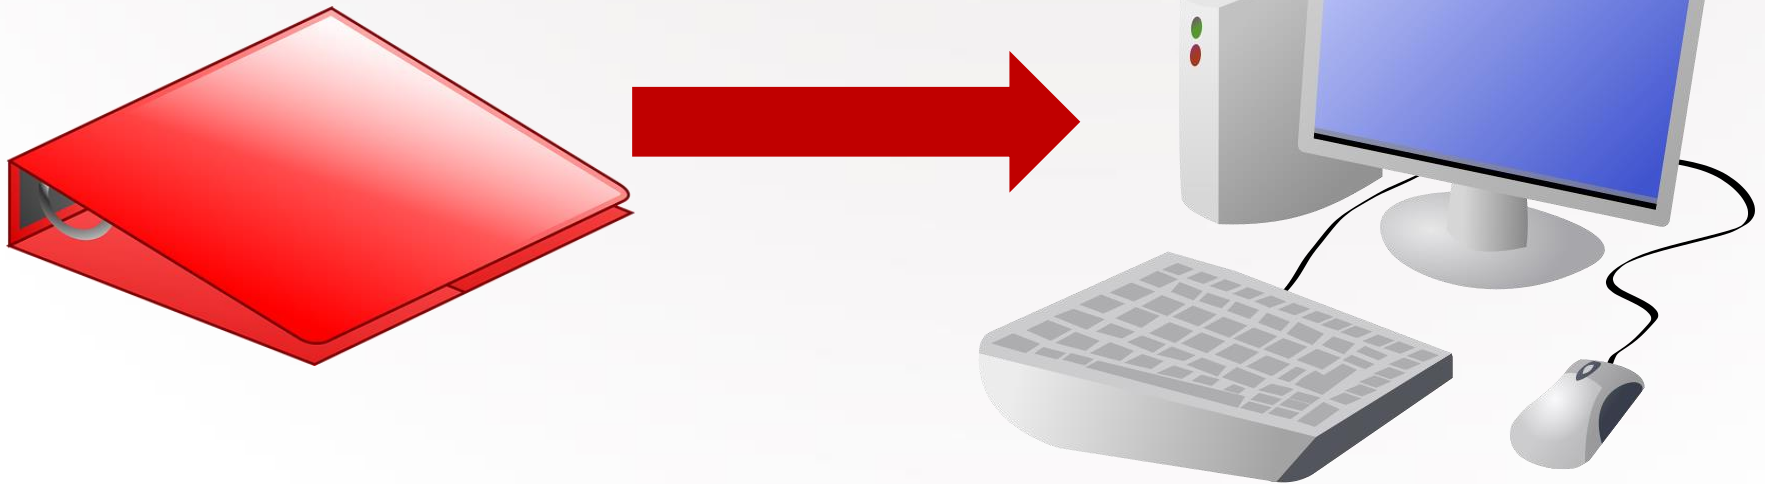

Achieved Strategic Priorities

- **Focus on Partnerships/ Opportunities**
 - Colleges/ Universities
 - Health- 1606 Athlete Screen 2017-2018
- **Administrative Process Standardization**

In depth training for working with athletes with an
Intellectual disability

Thoughts?

- What other courses would you like to have added?
- Implementation?
- Any foreseen issues?

Volunteer Coordinator Focus Group

We engaged with Volunteer Coordinators across the province and the country.

Our objectives were to find out what was taking the majority of our VC's time, what we could do to help, what processes we could implement to simplify life.

[Get Involved](#)

- Updated Volunteer Onboarding Orientation Modules
- Standardized Community Orientation Presentation
- Standardized Information session that communities can use
- New Processes

Membership Management

What's Next?

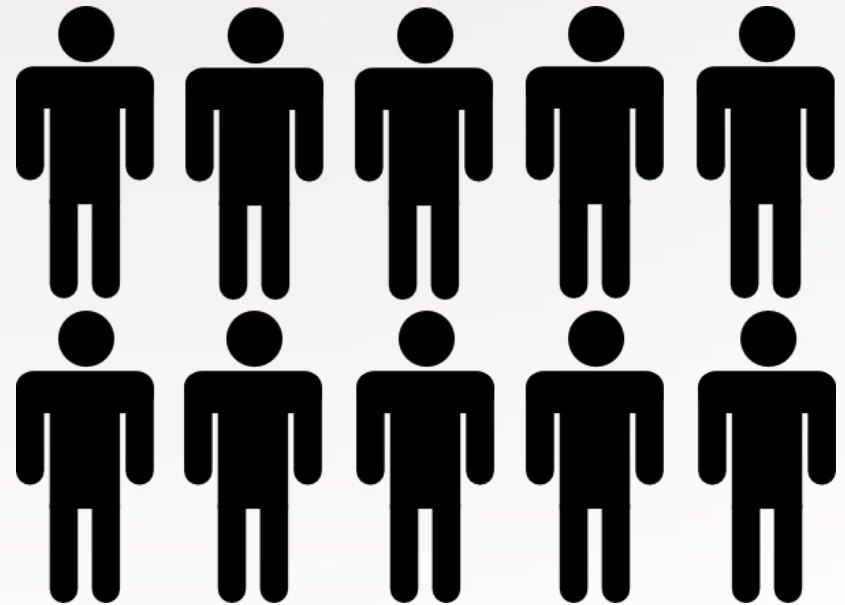

- Continue to have the conversation
- We've made a commitment to Resource Development
- Training & Education
- Use systems of the future

What's your take?

What other processes or resources can we standardize to help lighten the load?

Any feedback on what has been done so far?
